*Want to see
where we keep
the really big
animals?*

Welcome aboard Voyager III

Enjoy sea breezes and views of Boston Harbor as our high-speed catamaran whisks you to Stellwagen Bank, a busy feeding area for whales, dolphins, sea birds and other marine life. Learn about whale migration, identification and behavior from our marine biologists, all while watching these magnificent creatures in action.

Don't forget your camera! Share pictures of your trip, and stay current on whale sightings through the Aquarium's Whale Watch Log at <http://whalewatch.neaq.org>.

Guaranteed whale sightings!

On this fun family voyage, whale sightings are guaranteed! In the rare event that we do not see any whales, passengers will receive a complimentary New England Aquarium Whale Watch ticket. The New England Aquarium is one of the leading marine conservation organizations in the world—let us show you what experience offers!

Try these other great trips!

Guests on other Boston's Best Cruises can see and hear about the area's most scenic and historic sites aboard these popular adventures.

The New England Aquarium Whale Watch vessel, the *Voyager III*, is owned and operated by Water Transportation Alternatives, Inc. The captain reserves the right to cancel any trip due to safety considerations. If the vessel leaves the dock but the trip is subsequently cancelled, paying passengers will be given a complimentary Whale Watch ticket to use at a later date during the current season. Schedule and prices are subject to change without notice.
