New England
Aquarium

Protecting the blue planet

Dear Member,

Thank you for your interest in the New England Aquarium's automatic membership renewal program. Auto Renew is the best way to keep your member benefits and support of our mission to protect the blue planet active at a discounted rate, year after year. Each year your membership automatically renews in the program, you receive 10% off the then-current rate for your membership level. Annually, approximately six (6) weeks prior to your membership expiration date, you will receive one reminder notification in the mail alerting you that the credit card you provided us will soon be charged your discounted renewal rate, giving you the opportunity to make updates to your enrollment information.

Please note: in order to receive the discount on your next membership renewal, we must receive your completed enrollment form no later than four months prior to your membership expiration date.

Your generous and continuing member support of our mission to protect the blue planet is greatly appreciated. If you have any questions, please contact the Membership Department at members@neaq.org or 617-973-6555 (weekdays, 9:00 a.m. to 4:30 p.m.).

Sincerely,
Hailey Conneely
Director, Membership and Annual Giving
