2021-2022 Library Discount Program

Thank you for your interest in the New England Aquarium Library Discount Program. Details regarding this program are as follows:

- Only public libraries may participate in the program.
- With your payment of $650 your library will receive a book of dated coupons, one coupon per day from September 1, 2021, through August 31, 2022, excluding Thanksgiving (November 25, 2021) and Christmas (December 25, 2021).
- You will also receive a single “Mulligan” coupon, which can be used on any date during the program year. It is provided to enable you to resolve a situation when a coupon reserved by a patron has been misplaced or incorrectly distributed.
- Distribution must be free of charge to library patrons. Libraries may not charge a fee for coupons.
- Each coupon admits up to four people for a reduced admission of 50% off per person. The discount applies to full-price adult and child admission rates and payment is due at the time of the visit. Children under the age of 3 are not included in the admission count and are always admitted free.
- Due to limited capacity, increased demand, and timed ticketing, Aquarium admission is not guaranteed on the particular date of the coupon. Therefore, we are extending library coupons for up to one week after the date of the coupon.
  - Please distribute coupons one week prior to the date of the coupon. This will allow your patrons extra time for reserving a timed-ticketing slot.
  - We will honor the coupon for one week after the date of the coupon.
- Your library's patrons will have the opportunity to book in advance by phone (617-973-5206) or onsite at the Box Office. A library coupon does not guarantee entry to the Aquarium on the date of the coupon. We encourage booking as far in advance as possible. Please refer your patrons to our Offers and Discounts page for instructions.
- We always recommend coupon holders visit neaq.org before leaving home to confirm Aquarium hours and availability of daily programs.
- Library coupons may not be used in conjunction with school or group visits, nor be applied toward Aquarium programs, Simons Theatre tickets, or combination tickets.
- Library coupons or tickets obtained with library passes may not be resold.
- Participation in the New England Aquarium Library Discount Program does not constitute a membership or entitle the library's staff or patrons to the benefits reserved for Aquarium members.
- Each participating library receives the New England Aquarium’s quarterly magazine, blue.
- Questions? Please call the Membership Department at 617-973-6555 (weekdays, 9:00 a.m. to 4:30 p.m.) and select option 6.
