**Save time. Save money. Save resources.**

---

Dear Member,

Thank you for your interest in Auto Renew, the New England Aquarium's automatic membership renewal program. Auto Renew is a convenient way to continue your membership year after year at a discounted rate. Each year your membership automatically renews on the program, you receive 10% off the then-current rate for your membership level. Annually, approximately six (6) weeks prior to your membership expiration date, you will receive one reminder notification in the mail alerting you that your renewal will soon be charged to the credit card you have provided us and giving you the opportunity to make any changes to your enrollment information.

Please be aware that in order to receive the discount on your next membership renewal, we must receive your completed enrollment form no later than four months prior to your membership expiration date.

Your generous and continuing support of the Aquarium through membership is greatly appreciated. If you have any questions, please contact the Membership Department at 617-226-2200 (weekdays, 9:00 a.m. to 4:30 p.m.).

Sincerely,  
Membership Department
